

Consolidated feedback report from parents

From the feedback of parents on syllabus-library and study materials provided by the institution is good. Syllabus and curriculum provided is comparatively good and important for majority, but there is a heavy load of syllabus. Majority of the parents are satisfied with the atmosphere of the college. Syllabus when compared with future prospects is also good. For selecting open courses, 45% are satisfied and the other 55% are not satisfied as there is limited number of open courses. The frequency of exams are not rated as good by the parents. The change happened after the course is very good. The level of teaching is appreciated and very good. The capability for securing a job in the tests are rated as minimum.
