Oral Presentation Competition

*Topic: Your Favorite
Scientist and Invention*

SEMINAR HALL

NATIONAL SCIENCE DAY CELEBRATION

Oral Presentation on “Your Favourite Scientist and Invention”

Organized by,

Science Club and PG Department of Chemistry

R. Sankar Memorial SNDPYogam Arts and Science College, Koyilandy

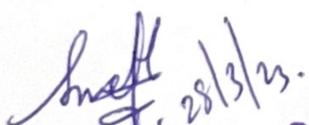

National Science Day is celebrated in India on February 28 yearly to remember the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28 February 1928. Sir C.V. Raman was awarded the Nobel Prize in Physics for the same in 1930.

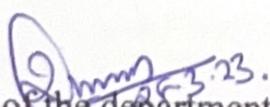

The National Science Day is celebrated all over India in schools, colleges, universities and other academic, scientific, technical, medical and research institutions for popularizing the outstanding efforts in the area of science and communication. As part of this Science club and PG department of Chemistry jointly organized an Oral presentation competition on the topic “Your Favourite Scientist and Invention”. Total five students participated in the competition. Presentation were done in power point and students were given a maximum duration of 8 minutes to deliver the talk. Students have chosen Marie curie, Stephen Hawking, Johannes Gutenberg and Louis Pasteur for their talk. Some of the photographs of the programme are given below.

The winners of the competition are , first prize AyshaRosna (Second year BA English), second Prize was shared by Sreenanda and Vishnu Maya (Second year B.Sc. Chemistry) and third Prize Devananda N (second year B.Sc. Chemistry). The presentations were evaluated by Dr. Merlin Abhraham (Department of Journalism) and Dr. Swetha S. (Department of Chemistry). The programme was coordinated by Dr. Swetha S., Coordinator Science club. Certificates as well as cash prizes were presented to the students. Students and teachers from many departments attended the programme.
